Subject: Continued Request for FOIA Information; Case No: 2004-219-E

Date: June 4, 2007 VIA US POSTAL CERTIFICATE OF MAILING

Mr. Dong:

Thank you for your letter dated May 24, 2007 responding to my request for FOIA information relating to ex parte communications as requested in my letter of May 17, 2007.

You state under your signature that there were no ex parte communications as discussed. However I direct your attention to the comments made in Commission Order No.2007-298, at page 5, paragraph 1, lines 3 through 8.

There, it is stated inter alia, that the Commission "...has been made aware ..." that I have requested continuances (on medical grounds) in Case NO. 2004-CP-17-232 pending in Dillon County Court.

Accordingly, I hereby repeat my request for information on that communication, pursuant to the Freedom of Information Act. At your earliest convenience I respectfully request you to document that communication and provide me with copies, records, notes, files, etc., of any and all communications of any kind whatsoever; the parties involved, the circumstances, and the relevant dates on that matter.

Further, I repeat my legal request for the release of any and all communications in any form, by any party by and between the Petitioner's representatives, and the Commission and its staff, and ORS, that I have not been made a copy of, or have not participated in as a party concerning the Commission's Order that I have challenged.

For the record, I do not and never have owed Progress one single dime, and the Commission has ignored that fact from the outset. That is the question before the court. This whole matter has yet to really begin.

Thank you for your kind cooperation in this matter.
